

EQUAL EDUCATION

A DYNAMIC YOUTH LED SOCIAL JUSTICE ORGANISATION

HAS AN EXECUTIVE-LEVEL VACANCY TO FILL

About Equal Education

Equal Education (EE) is a movement of learners, parents, teachers and community members working for quality and equality in South African education, through analysis and activism. EE is organised in five provinces: Eastern Cape, Gauteng, KwaZulu-Natal, Limpopo, and the Western Cape. EE works by identifying systemic and localised problems affecting the quality of education, and addresses these problems through local and national campaigns; a commitment to robust political education and campaign strategising with members; and building a strong research base through primary and secondary research.

A democratic movement, EE's National Council, made up of learners, parents, post-school youth, and experienced activists, along with its General Secretary and Deputy General Secretary are elected at our National Congress, held every three years. The National Congress along with the National Council is mandated to direct the work undertaken during each three-year period.

Equal Education's Culture

EE aspires to be a place where all of our members become conscious and active participants in society who strive to resist patriarchy, tribalism, ageism, sexism, racism and other forms of discriminatory practices that operate in our homes, communities and places of work.

As a member of staff, one must commit to upholding EE's principles for a safe and welcoming work environment. Our principles aim to create an environment that enables growth, is inclusive and safe for all who pass through the organisation.

EE seeks to appoint a Senior Manager: Operations, an executive EE position, to be based at its national office in Khayelitsha, Cape Town.
