To the Members of Equal Education

Opinion

We have audited the financial statements of Equal Education set out on pages 6 to 14, which comprise the statement of financial position as at 31 December 2021, and the statement of comprehensive income, the statement of changes in reserves and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion section of our report, the financial statements of Equal Education for the year ended 31 December 2021 are prepared, in all material respects, in accordance with the basis of accounting as described in note 2 to the financial statements.

Basis for Qualified Opinion

In common with similar organisations, it is not feasible for the association to institute accounting controls over cash collections from donations and other collections prior to the initial entry of those collections in the accounting records. Accordingly, it was impractical for us to extend our examination beyond the receipts actually recorded, although we have no reason to suppose there are omissions.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organisation in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the organisation's own accounting policies to satisfy the financial information needs of the organisation's member. As a result, the financial statements may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Other Information

The National Council are responsible for the other information. The other information comprises the information included in the document titled "Equal Education Annual Financial Statements for the year ended ", which includes , and the supplementary information set out on pages 15 to 16. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the National Council for the Financial Statements

The National Council are responsible for the preparation of the financial statements in accordance with the basis of accounting as descibed in note 2 of the financial statements, and for such internal control as the National Council determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the National Council are responsible for assessing the organisation ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the either intend to liquidate the non-profit organisation or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organisation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the National Council.
- Conclude on the appropriateness of the National Council's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organisation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with the National Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Annual Financial Statements for the year ended 31 December 2021

National Council's Responsibilities and Approval

The National Council is required to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements satisfy the financial reporting standards as to form and content in the presentation of the statement of financial position, results of operations and business of the organisation, and explain the transactions and financial position of the business of the organisation at the end of the financial year. The annual financial statements are based upon appropriate accounting policies consistently applied throughout the organisation and supported by reasonable and prudent judgements and estimates.

The National Council acknowledges that they are ultimately responsible for the system of internal financial control established by the organisation and place considerable importance on maintaining a strong control environment. To enable the National Council to meet these responsibilities, the board sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the organisation and all employees are required to maintain the highest ethical standards in ensuring the National Council's business is conducted in a manner that in all reasonable circumstances is above reproach.

The focus of risk management in the organisation is on identifying, assessing, managing and monitoring all known forms of risk across the organisation. While operating risk cannot be fully eliminated, the organisation endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The National Council is of the opinion, based on the information and explanations given by management that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss. The going-concern basis has been adopted in preparing the annual financial statements. Based on forecasts and available cash resources the National Council has no reason to believe that the organisation will not be a going concern in the foreseeable future. The annual financial statements support the viability of the organisation.

The annual financial statements have been audited by the independent auditing firm, BGC, who have been given unrestricted access to all financial records and related data, including minutes of all meetings of the members the National Council. The National Council believes that all representations made to the independent auditor during the audit were valid and appropriate. The external auditors' unqualified audit report is presented on pages 2 to 3.

The annual financial statements as set out on pages 6 to 14 were approved by the National Council on 9 October 2022 and were signed on their behalf by:

Member of the National Council

Member of the National Council

(Registration Number 068 288 NPO)

Annual Financial Statements for the year ended 31 December 2021

National Councils' Report

The National Council present their report for the year ended 31 December 2021.

1. Review of activities

Main business and operations

The principal activity of the organisation is a movement of learners, parents and teachers striving for quality and equality in education through analysis and activism and there were no major changes herein during the year.

The operating results and statement of financial position of the organisation are fully set out in the attached financial statements and do not in our opinion require any further comment.

2. Going concern

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

3. Events after reporting date

The National Council is not aware of any matter or circumstance arising since the end of the financial year to the date of this report that could have a material effect on the financial position of the organisation

4. Secretariat

The Secretariat of the organisation during the year and to the date of this report are as follows:

Position Name

Chairperson: Yana van Leeve
Deputy Chairperson (Post School Youth): Sindisa Monakali

General Secretary:

Noncedo Madubedube

General Deputy Secretary: Tracey Malawana

Treasurer: Tess Peacock
Co-opted Member: Nthabi Pooe

5. Independent Auditors

BGC were the independent auditors for the year under review.

BGC is a firm of Registered Auditors and Chartered Accountants, registered with both the Independent Regulatory Board for Auditors and the South African Institute of Chartered Accountants.

Finance income		1,018,298	1,183,025
(Shortfall) / surplus for the year	Note below	(3,243,889)	3,249,981

Comment on reported shortfall in 2021

The organisation has reported a shortfall in 2021 of R3 243 889. This needs to be viewed in comparison to the reported surplus reported in 2020. Due to the impact of the COVID-19 induced lockdown in 2020, projects for which funding had been received in 2020 would have resulted in a delay in the ability of the organisation to action the projects. The result is that expenditure related to funding received in 2020 was only reported in the 2021 year. This contributes to a surplus in 2020 and a shortfall in 2021.

In addition to this, during the 2021 year. Equal Education procured funding from the European Union. The project related to this funding required that Equal Education incur the expenditure in the 2021 financial year prior to the end of the reporting period. The European Union grant in question amounting to R957 209 was only received in April 2022. This has resulted in contributing to a shortfall in the 2021 financial year.

Accounting Policies

1. General information

Equal Education is an association not for gain incorporated in South Africa.

2. Summary of significant accounting policies

These annual financial statements have been prepared in accordance with the accounting policies as set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

These financial statements have been prepared under the historical cost convention and are presented in South African Rands.

2.1 Investments

Investments in financial instruments other than basic financial instruments are initially recognised at cost, namely the transaction price excluding any transaction costs. Subsequent to initial recognition these investments are measured at fair value if the fair value can be reliably measured, with gains and losses being recognised in profit and loss. Where the fair value cannot be reliably measured these investments are carried at cost less any accumulated impairment losses.

2.2 Revenue recognition

2.2.1 Donations

Donation income comprises funds received from donors. These amounts are recognised in the financial period in which it contractually applies.

2.2.2 Grant income

Grant income is recognised when it has been received. Grants denominated in a foreign currency are recognised at the Rand value received on the date it is received without any adjustment for foreign exchange gains or losses.

2.2.3 Income received in advance

In the case of project specific grant funds received, for projects that run in more than one financial period, or where the grant contract has terms that stipulate repayment or unspent funds, the grant is recognised initially as income received in advance, This income is subsequently recognised as revenue in the statement of comprehensive income on a pro-rata basis in line with the time frame that the grant funds are scheduled to be spent in terms of the grant contract.

In the event that the grant contract budgets for funds to be spent on a specific event, then the income related to that direct cost is recognised as revenue when the costs for the specific event are incurred.

(Registration Number 068 288 NPO)

Financial Statements for the year ended 31 December 2021

Accounting Policies

Summary of significant accounting policies continued...

2.3 Property, plant and equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses

Costs include costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

The residual value, depreciation method and useful life of each asset are reviewed at each annual reporting period if there are indicators present that there has been significant change from the previous estimates.

Depreciation is charged so as to allocate the cost of assets less their residual values over their estimated useful lives, using the straight-line method. The following rates are used for the depreciation of property, plant and equipment:

Furniture and fittings 6 Years
Office equipment 5 Years
IT equipment 3 Years
Computer software 2 Years
Photography equipment 5 Years

2.4 Trade and other receivables

Trade receivables are recognised initially at the transaction price and subsequently measured at cost.

2.5 Cash and cash equivalents

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown under current liabilities on the statement of financial position.

2.6 Trade payables

Trade payables are recognised initially at the transaction price and subsequently measured at cost.

10. Income tax expense

The organisation is tax exempt in terms of section 10(1) (cN) of the Income Tax Act.

11. List of International and local funders

Equal Education is funded through the support of many institutions in South Africa and around the world, however, as the organisation's support base grows it is increasingly able to finance prohects through contributions received from individual people in South Africa and abroad in support of the provision of an equal and quality education for all. The main donors are mentioned below.

The following are the main funders:

Bertha Foundation

Cameron Schrier Foundation

Claude Leon Foundation

Constitutionalism Fund

Norwegian People's Aid

Norwegian Students's and Academics International Assistance Fund

Open Society Foundation South Africa & The Education Support Programme

Raith Foundation

Sigrid Rausing Trust

Goodhope Endowments

The European Union

The Social Justice Initiative

The South African Development Fund

(Shortfall) / surplus for the year	Note below	(3,243,889)	3,249,981

Comment on reported shortfall in 2021

The organisation has reported a shortfall in 2021 of R3 243 889. This needs to be viewed in comparison to the reported surplus reported in 2020. Due to the impact of the COVID-19 induced lockdowns in 2020, projects for which funding had been received in 2020 experienced a delay in the ability of the organisation to action the projects. The result is that expenditure related to funding received in 2020 was only reported in the 2021 year. This factor contributes to a reported surplus in 2020 and a reported shortfall in 2021.

In addition to this, during the 2021 year. Equal Education procured funding from the European Union. The project related to this funding required that Equal Education incur the expenditure during the 2021 financial year prior to the end of the reporting period. However, the European Union grant in question amounting to R957 209 was only received in April 2022. This has resulted in contributing to a reported shortfall in the 2021 financial year.
